LabPulse.
A LABOTARY SOFTWARE

LabPulse: Revolutionizing Laboratory Management

Introduction

Welcome to LabPulse, the ultimate software solution designed to streamline and enhance the way your laboratory operates. From managing patient tests and reports to handling billing and daily backups, LabPulse is engineered to simplify your tasks, improve efficiency, and drive your laboratory's growth. Our user-friendly platform ensures you can access critical information from anywhere, whether you're using a tablet or mobile device.

Why Choose LabPulse

Seamless Integration

LabPulse offers a comprehensive suite of features that integrate seamlessly into your daily operations. No more juggling multiple systems—LabPulse brings everything you need into one powerful tool.

Stay Connected

With built-in e-notifications and SMS capabilities, you can keep patients informed and engaged with real-time updates. Plus, you'll never miss a beat with our daily backups and visit details.

Effortless Management

Our intuitive interface makes managing patient tests, reports, and billing straightforward. Easily monitor sales and analyze performance to make data-driven decisions that propel your laboratory forward.

Cost-Effective

Enjoy the benefits of a one-time purchase with no monthly server charges. LabPulse is designed to be a long-term investment in your laboratory's success.

How LabPulse Helps Drive Growth and Efficiency

Optimize Operations

Streamline your laboratory processes with LabPulse's all-in-one platform. From patient test management to billing and analysis, our software reduces manual work and minimizes errors, freeing up your time to focus on what matters most.

Enhance Communication

Stay connected with your patients through automated e-notifications and SMS updates. With 500 free SMS messages included in your first month, keeping patients informed has never been easier.

Analyze Performance

Gain valuable insights into your laboratory's performance with our sales overview and daily analysis features. Identify trends, track growth, and make informed decisions to drive success.

Access Anywhere

Whether you're on the go or working remotely, LabPulse ensures you have access to all your critical information. Our platform is fully accessible from tablets and mobile devices, so you're always connected.

Pricing Details

One-Time Purchase: 65,000 LKR – Enjoy all the features with no monthly server charges.

500 Free SMS: Included in your first month. After that, only 1.50 LKR per SMS. Monitor and manage your SMS usage easily.

Customization Fees: Tailor LabPulse to meet your specific needs. Customization costs will be quoted based on your requirements.

Maintenance Fees: First month is completely free. Subsequent maintenance costs will be quoted based on your requirements.

Free Website: Choose your own domain, and we'll create a free website for you.

Note: If you run the software in your own domain & server there will be an annual charge for domain & server renewal. But if it's running on ours, no any annual or monthly charges. You can request a demo for one-week.

Hardware Requirements

Computer: Processor: Intel Core i3 or equivalent, RAM: 4 GB or more, Storage: 500 GB HDD or 256 GB SSD
Internet Connection: Minimum: 2 Mbps download and upload speed
Printer: Standard printer for printing reports and invoices

Note: If you don't have the required hardware, no worries! We offer affordable hardware options to meet your needs. Please contact us for detailed pricing and options.
